

Coyote Tales Vol. 20

Corron Parking Lot Safety - Please be mindful of the wintry weather conditions each day as our students need a little extra time to exit the building with all of their snow gear bags, boots, and warm outerwear. We have staff members on duty at the end of the day to assist kids out of the building. We have noticed, however, that cars are double parking in between the assigned parking spaces which could cause multiple hazards.

Double parking is also blocking our daycare and public school buses from accessing the North door allotted for student pick-up. Please do NOT double park between the parking lot assigned spaces. Police officers will be stopping by to support the flow of traffic and safe exit procedures for our students.

Thank you for your prompt attention to this safety precaution during dismissal time here at Corron Elementary School.

Volunteers for Talent Show - Volunteers are needed to help make this a great experience for the students. Please use the link below to sign up for volunteer opportunities for both the talent show and rehearsal.
