[Social Media & You: A Parent's Guide](#)

Have you ever wondered what your children do on their phones? How are they communicating and with whom? What's a streak? Do they need both an Instagram account and a Snap Chat account? How can you monitor their use and keep them safe? How much screen time is too much screen time?

District 303 has assembled a panel of local experts to help answer these questions and more. The evening will include the basics of social media outlets being used by teenagers, tips on how to monitor your child's use of social media, legal ramifications with inappropriate use of social media, as well as student's perspectives. Social media can be overwhelming for parents and it's important for you to understand what's available to students and how they're using it.

Panel members include:

Circuit Court Judge Clint Hull

Rich Wistocki, retired Naperville PD and national speaker

Chuck Pierce, SCPD

Representative from the State's Attorney's Office

D303 High School students

Carol Smith, D303 Director of Communications and Community Relations

CHICK CHAT - Attention 4th, 5th and 6th graders – spend a day learning about what makes you unique and learning how you can build positive friendships.

The Chick Chat by HGNA Geneva workshop that was scheduled for 2/10/18 was cancelled due to severe weather. After exhausting all options, the decision was made to reschedule the Geneva Chick Chat to Saturday, 2/24/18 at Geneva Middle School South. When two Chick Chat locations are planned, they must be on different dates because of the staff and supplies they share. Due to the number of experienced volunteers and staff available for the Geneva Middle School South location and the largest amount of Chick Chat registrants coming from Geneva, **the decision was made to RELOCATE the previously scheduled 2/24/18 Chick Chat by HGNA from Wredling Middle School to Geneva Middle School South, 1415 Viking Drive, Geneva, IL 60134.** The Mom & Dad Chat/Parent Presentation offered in conjunction with Chick Chat will also be relocated to Geneva Middle School South on 2/24/18.

Please click on the following link to complete a brief Survey Monkey form to give your daughter permission to attend the 2/24/18 Chick Chat by HGNA at Geneva Middle School South instead of at Wredling Middle School. If you registered for the Mom & Dad Chat, your registration for that will be transferred to the new location, too. The form also gives you the option to cancel your daughter's registration and to request a full refund if the relocation will not work for your family.

Many preparations are underway for these exciting events. In order to help us continue these preparations, we ask that you please complete the form by the end of Monday, February 12, 2018. If you do not complete the form in this time frame, you will be contacted again to ask for your response on the form.

We look forward to seeing you at Geneva Middle School South on 2/24/18.

Thank you,

Michelle

2018-2019 CUSD303 Community Preschool Program Lottery

General Information

For the 2018-2019 school year, District 303 will offer a five-day-a-week, ½ day, morning or afternoon preschool program.

The program will be open to 3-5 year old children who reside within the D303 school boundaries and who are 3 years old by September 1, 2018. Children who are 5 years old by September 1, 2018 will not be eligible for enrollment.

The tuition cost for the program is \$285 per month. A \$100 annual non-refundable registration and materials fee will also be required.*

*Tuition and registration and materials fee pending board approval

Enrollment Procedure

The school board is currently reviewing a proposal from District Administration to close and repurpose an elementary school to an Early Childhood Center. A decision from the School Board to move forward will impact elementary school attendance boundaries and the locations for D303 Community Preschool. With a yes vote for an EC Center, Norton Creek preschool students would attend preschool at the Fox Ridge/EC Center location.

We anticipate the Board will be voting on the proposal at their March 12, 2018 regular meeting. For detailed information regarding the proposal and School Board discussion, please visit the District 303 website at www.d303.org

We anticipate the preschool lottery will open on Thursday February 22, 2018. Link will be active and available through the D303 website.
