

Coyote Tales Vol. 8

Fall Fest October 27, 2017- CALLING ALL SUPERHEROES! SAVE THE DATE FOR FALL FEST! Corron Superhero Bash will be October 27, 2017. Keep checking Coyote Tales for more exciting details - coming soon!!!

Veteran's Day Celebration - On Tuesday, November 7th, starting at 9:15 am, Corron Elementary School will host a **Veteran's Day** Assembly to celebrate those individuals who have given so much for the freedom we enjoy. Students will participate by reciting the Pledge of Allegiance, speaking, singing patriotic songs they have learned in music, and honoring some of the **Veterans** within our Corron community.

We need your help at home to prepare for this observance:

1. We would like to honor our **Veteran** family members who have served or are serving in the armed forces. We will be putting together a video slide show of photos of our community **veterans**. We encourage you to email 1 digital picture of your **Veteran(s)** to our LRC assistant: Karen.McVicar@d303.org. Please include what Branch of Service they were in and their relationship to our Corron student(s). Digital Photos of Veterans are due by Wednesday, November 1st.
2. If your Corron **Veteran** is able to attend our assembly on November 7th at 9:15 am, please notify the office at 331-228-6900. We would like to send them an invitation and be prepared to recognize and honor them appropriately! Thank you for supporting us in showing appreciation for those who have given so much for our freedom. Please email your photos electronically.

Parent - Child Dance, November 10, 2017- Join us for the first parent child dance on Friday, November 10th from 6-9pm. Live DJ, onsite photograph, candy and refreshments all provided. See the attached flyer for information. No tickets will be sold at the door as advanced tickets will be required.

Sphero Balls for MakerSpace- We have some newly trained experts at Corron who have been using their lunch time to learn about coding Sphero Balls. As we have gotten five Sphero Balls donated by the St. Charles Education Foundation, we are excited to be able to go into classes to model the design thinking process, and coding Sphero Balls as the year goes on. Thank you to the St. Charles Education Foundation.
