Box Tops Postage: \$10.99

Recent Income: \$298.40

Other:

Sales tax exemption applications-completed & mailed May 7<sup>th</sup>

Spring PTO Donations

Spend Down Spring 2018: \$8000 plus \$1500 in PTO discretionary part of budget.

Requests:

Cannot take Rock Wall from Fox Ridge- district would partner with us, but still a lot of money  
Water bottle attachment- Cost for 3 fountains at another school was \$4500 (Approx: \$1500 per fountain includes labor). Would be under warranty, district will partner with us.... Might have to help with filters. Find out cost of filters for each machine/each year.

Committee Chair Openings- Nicole Fraser:

Directory

Auditing –Nicole Larson is going to do this.

RC Hutson-

Ice cream social 1<sup>st</sup> day of school in evening- most likely..... August 22<sup>nd</sup>

Meet with new principal about 4<sup>th</sup> and 5<sup>th</sup> grade parties. How many volunteers per classroom would be appropriate?

Take a survey for next year of what kids want to do at parties.

Megan Stone- Mother/Daughter Art Night a big success.

Bingo night on the 25<sup>th</sup> to welcome our new principal.

PTO Meeting  
Principal's Report  
Wednesday, May 16, 2018

1. Thank you for another great PTO event, "Morning with Moms" and the event occurring right before Mother's Day was so special for our students' moms.
2. Thank you for all of the FANTASTIC treats and special items for Teacher Appreciation Week! We all felt so special and greatly appreciated all of the appreciation across the building from students and parents.
3. Team Specialization is a concept that will be utilized next year in some of our schools/grade levels to maximize teachers' expertise and provide students with the optimal educational experiences. Team Specialization organizes work around students rather than around departmental disciplines. Thus there is a tighter connection between teachers' work and student outcomes, allowing teachers greater comprehensive knowledge and responsibility for student learning and outcomes." (Pounder, 1999). More information will follow as grade levels meet over the summer to fine-tune logistics and have a clear plan for how this might be implemented. A parent meeting will be scheduled to inform parents before school starts regarding components of Team Specialization.
4. Thank you for another great PTO event, "Morning with Moms" and the event occurring right before Mother's Day was so special for our students' moms.
5. Thank you for all of the FANTASTIC treats and special items for Teacher Appreciation Week! We all felt so special and greatly appreciated all of the appreciation across the building from students and parents.
